

2013 Provincial Challenge Cup Champions

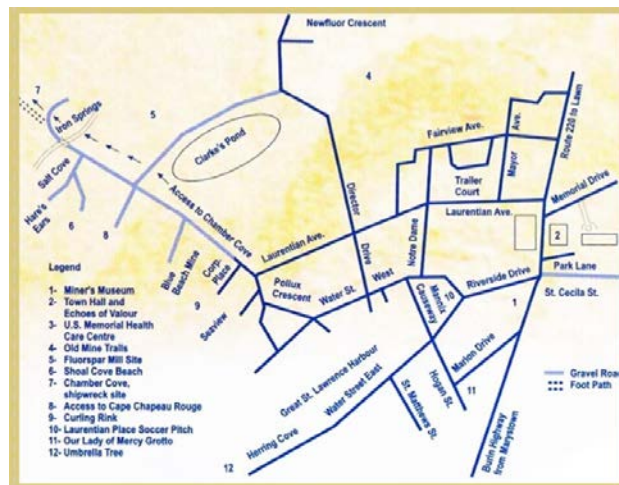

Learn about our history and the heroic efforts of our citizens or treat yourself to an exciting game of soccer. The town of St. Lawrence has been acclaimed for its soccer excellence and has more provincial trophies and championships than any other town its size in Canada.

In September 2013, the St. Lawrence Laurentians were successful in capturing its 26th Provincial Challenge Cup Championship.

Kevin Kennedy I'm sure you can come up with something to say about our fallen son Kevin. He was a soccer player, so I think it fits on this page just perfect. Let me know what you think.

SHOAL COVE BEACH

While here visit St. Lawrence Miners Memorial Museum; the Echoes of Valor Cenotaph; the U.S. Memorial Health Care Center with its storyboard exhibit; the Grotto; or enjoy miles and miles of hiking trails to Cape Chapeau Rouge and the Bergeron Trail. Relax on Shoal Cove Beach, or just sit and enjoy the view at the Cape Chapeau Rouge View Park.

A visit to the St. Lawrence Miners Memorial Museum will showcase the harsh realities of a miner's life. While at the museum, drop into our gift shop and view items cut from fluor spar and polished by our challenged needs individuals.

St. Lawrence is the site of the largest known deposit of fluor spar in North America. Throughout history, mining has provided both jobs and grief.

The town's fishing heritage dates back to the 17th century with the presence of French and Spanish Basques in St. Lawrence Harbour.

St. Lawrence has one of the first established Commercial Wind Farms. There are nine turbines at the St. Lawrence Wind Power Project with a total capacity of 27 megawatts, enough to meet the electricity demands of about 7,000 homes.

More than two hundred sailors died on February 18, 1942 when two ships of the U.S. Navy were wrecked near St. Lawrence. *USS Truxtun* ran ashore at Chamber Cove while *USS Pollux* at Lawn Point. The *USS Wilkes* was also part of the Convoy but she was able to free herself. Due to the heroic efforts of the local people and their willingness to give, 186 men were saved. Visit the developed trail to Chamber Cove and Lawn Point to see the actual site.
